Welcome! The public is invited to observe the City Council deliberate and vote on the agenda items scheduled for action or discussion. The City Council meets in public, though this is not a meeting in which the public may actively participate, less prescribed period(s). It is a meeting for the seven members of the City Council to publicly conduct the business of the city.

Invitation to speak to an agenda or non-agenda item:

As an important part of each meeting, the public is invited to address the City Council about concerns they have, or about items not covered in this agenda. When you are called upon by the mayor, please stand up and identify yourself before you begin to speak, and then following your three-minute presentation your questions or concerns will be addressed. Following your presentation and any related discussion, the Council may take the delineated issue under advisement and discuss it at the next monthly meeting, or you may be directed to meet with the mayor; or his designee, to assess the concern(s) and seek clarification on the related information, and following subsequent discussions and research you will always receive a timely response from the mayor.
