# Lake Missaukee Community Swim Program

*Help keep our swim program afloat*

Do you know someone 5-17 years old who wants to have fun while learning water safety?

The Lake Missaukee Community Swim Program is here to help. The program has been active for over 70 years, teaching young people to swim and be safe in our freshwater lakes.

In our 2024 season we had 178 kids who participated in the program. That is 178 kids who will be safer and more confident swimming and playing in our beautiful lakes.

We are staffed by Red Cross Certified Instructors and have our own Red Cross Certified Lifeguard on duty, while maintaining an instructor to student ratio of 3:10. It is all about safety and fun.

We host 2 sessions per season (July 7th to July 18th and July 28th to August 8th), each session is 2 weeks long with multiple half-hour classes per day. Registration opens May 2, 2025, at 8am and space is limited. Cost is $35 per child. Register online only with the QR code below.

Payments are accepted in person at the City of Lake City offices (115 W John St, Lake City) from 7:30am to 3:30 pm weekdays or by drop box out front 24/7. We now offer online payments at www.cityoflakecity.com for a 3% fee.

Make sure to register and make payments early to secure a spot!

## See you at Lake Missaukee!
